

**SUPPORT  
MILITARY  
SPOUSES**

**We Thank God For You.**

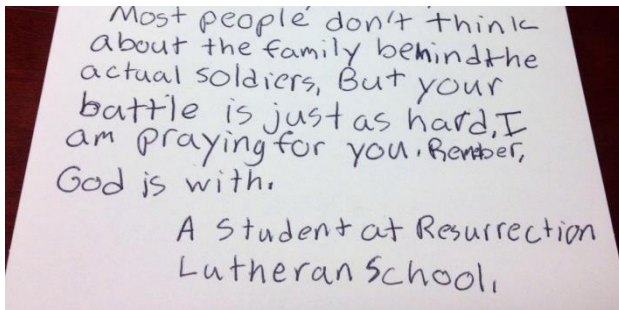

## **Send Your Thanks to A Military Spouse or Military Child!**

Show your appreciation by making a *Caring Card* for a military spouse or child! Husbands, wives and children of service members are often overlooked for the loving support they give their active duty spouse and for the many sacrifices they make, such as living far from friends and family or being apart from their mom or dad for months at a time.

Writing a *Caring Card* is not only patriotic in service, but also uplifting and encouraging. All of the cards received will be delivered to deserving military spouses or their children.

### **Examples of inspirational messages to write in the Caring Cards:**

**“Thank you for all that you do.”**

**“God thinks you’re special and so do we!”**

**“You inspire us”**

**“We thank God for you!”**

More helpful *Caring Cards* Tips:

- Simply write words of encouragement and appreciation.
- You are more than welcome to sign your name but it's not required.
- Be creative with the cover. Draw something inspirational and colorful.
